## WE MAKE LIFE BETTER

Z-Wave Europe based in Hohenstein-Ernstthal pioneered in importing the first Z-Wave products to Europe as a Value Added Resellers in 2008. Since then Z-Wave Europe has been the leading Value Added Distributor for Z-Wave and Zigbee based wireless home automation controls facing high and steady growth in its business.

Since November 2020, Z-Wave Europe has been cooperating under the brand Aeotec with the Samsung Electronics subsidiary "SmartThings", the industry leader in IoT technology and home connectivity. The open platform brings devices, developers and services together to create one of the largest ecosystems. The Aeotec Smart Home Hub is the first "Works as a SmartThings Hub" that can integrate SmartThings compatible devices via Z-Wave, Zigbee or Wi-Fi.

We make life better. Because we help you to find the right products and services to transform homes, flats and offices into smart homes. In doing so, we support our customers by expediting and simplifying all business processes. Through outstanding logistical and technical support, we increase our success in the market.

## DINING ROOM

### DATE NIGHT

Your favourite recipe has turned out well and everything is set for a great dinner. With a touch of a button, your Smart Home creates the right atmosphere. The electric blinds lower, the robot vacuum cleaner returns to the charging station and the lighting dim. At the same time, the Philips Hue switches on the lighting and your favourite playlist is played via the soundbar. Everything is perfect – isn't it?

#### Used for this scenario:

- Aeotec Button
- Samsung Soundbar
- Amazon Alexa
- Samsung Robot Vacuum
- Aeotec Smart Home Hub
- FIBARO Roller Shutter 3
- Zigbee lights
- Ambient lighting e.g. Philips Hue Iris

### LUNCHTIME

At some point, a little hunger sets in and the question arises what to have for lunch today? To answer this question, you don't have to stand up and go to the kitchen. Check the contents of the fridge conveniently via the SmartThings App. When you have found the right ingredients, you can stream the right cooking video on the display of the Family Hub with just one click.

#### Used for this scenario:

- Smartphone or Tablet
- Samsung Family Hub
